

# KUDOS

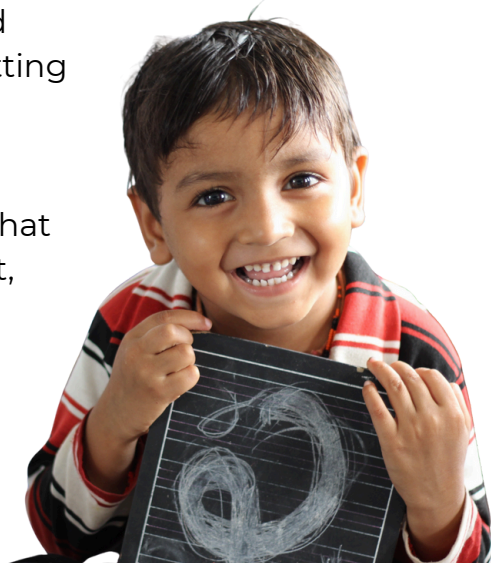

## Preschool Boost

Since 2018, Kudos has proudly partnered with carers, families, and early childhood educators across South Australia, supporting them to support children with developmental concerns. Now, we're thrilled to extend this support through the Preschool Boost initiative.

### **Therapy-Led Programs for a Confident Start to School**

Kudos Preschool Boost offers therapy-led programs that build emotional, social, and developmental foundations, setting children up for success as they transition to school.

We deliver practical programs that support children's development, confidence, and inclusion, empowering families and educators through play, movement, mealtimes, and positive relationships.

### **Not sure which program is right for you?**

Get in touch or scan the QR code to complete our **Program Recommendation Survey** and find the best fit for your preschool community
